Dear Prospective Employer

Katie Hrabik was an impressive part of my team. She was hired to assist in the development and implementation of a new system application that would significantly impact my core team. She completed her assignment with attention to detail, within time constraints, and with a special ability to teach and communicate the new processes.

Her exhibited skills are collaboration, process documentation, communication, data collection and implementation.

She was a positive influence on my team. Her work ethic and positive attitude made our project a huge success.

Please feel free to reach out to me for more specific information. I heartily endorse her for your consideration.

Sincerely,

Dawn Zelich
